

INSUREELM ASSURANCE – EMPLOYEE HANDBOOK (EXCERPT)

Section HR-04: Remote Work & Information Security · Effective 15 February 2026

This excerpt covers remote working and basic information security for InsureElm staff. It is not the full handbook; leave, payroll, and grievance policies live in Sections HR-01 to HR-03.

REMOTE WORK

- Staff may work remotely up to 3 days per week with manager approval.
- Company-wide core hours, when all staff must be reachable, are 11:00-16:00 PKT.
- Fully remote arrangements require Director sign-off and are reviewed every 6 months.

ACCESS & VPN

- All access to internal systems from outside the office must go through the ElmGate VPN. Split tunnelling is disabled by policy.
- Internal issues and requests are raised in the Rootline ticketing system. Email requests to IT are not tracked and may be missed.

SECURITY BASICS

- Suspected phishing must be reported to the security team within 1 hour of receipt, using the "Report Phish" button in Rootline.
- Passwords rotate every 90 days. Reuse of the last 5 passwords is blocked.
- Customer data may never be copied to personal devices or drives.

LEAVING THE COMPANY

- On the last working day, all company hardware must be returned to the office, or shipped using a prepaid label, within 5 business days.
- ElmGate and Rootline access is revoked at 18:00 PKT on the final day.
